

## In America: A Novel

Filesize: 4.77 MB

### ***Reviews***

*This ebook could be well worth a study, and superior to other. It really is basic but unexpected situations inside the 50 % of your ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

## IN AMERICA: A NOVEL

[DOWNLOAD](#)

Picador, 2001. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "Often brave and beautiful . . . The scope of the take is vast, and there is a largesse in the telling, the sheer happiness of art. But *In America* is also an intimate portrait of a willful woman who, like the liner which brings her to America, trails a great wake behind her . . . In this novel about Poland and America, acting and living, transformation and respiration, Susan Sontag has indeed found a story that tells many stories with elan, intelligence and delight."Richard Lourie, Washington Post Book World "Sure-footed and wonderfully daring."Sarah Kerr, New York Times Book Review "An inventive work, written in fluid prose . . . Beautiful and unsettling."Lisa Michaels, The Wall Street Journal "A fascinating exploration of what's real in a culture that preaches authenticity but worships artificiality."Christian Science Monitor "Enough incident, psychology, local color, and fascinating detail to stock a flotilla of popular novels, a couple of Ragtimes, and a brace of theatrical memoirs."Michael Silverblatt, Los Angeles Times Book Review "What is wonderful about this book is . . . [the] counterpoint of novelist and essayist, of innocence and knowingness. From the knowingness comes another excellence of *In America*, its cat's cradle of meanings."Joan Acocella, The New Yorker "In America displays Sontag in a relaxed, pleasure-seeking mode, guiding her character through a long travelogue in time, specifically the beginnings of the gilded age in the brave new world. Here are sumptuous theaters in Manhattan and hotels in San Francisco; a journey 1,900 feet down into a silver mine in Virginia City, Nevada; cameo appearances by such luminaries as Henry James and the Shakespearean actor Edwin Booth."Paul Gray, Time "Like its brilliant essayist author, this 'novel' defies every...
