ENERGY MANAGEMENT AND CONSERVATION

I.K. International Publishing House Pvt. Ltd., 2011. Paperback. Book Condition: New. 16cm x 24cm. Energy management and Conservation is the area which requires general awareness among the people. The motto is "Energy conserved is energy produced". The subject of Energy management which was in the curriculum of the graduate courses has slowly drifted into under graduate courses also. But unfortunately, there is no single textbook in this field catering to the needs of student community, energy managers/energy auditors and so...
