The Book on Healthcare It: What You Need to Know about Hipaa, Hospital It, and Healthcare Information Technology (Paperback)

By James Scott

New Renaissance Corporation, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This book truly simplifies the complicated and multifaceted topic of Healthcare IT with all its various niche terms and subjects such as HIPAA, Hospital IT, HITECH, Healthcare Information Technology, HIT etc. The overly technical jargon and robotic language has been virtually eliminated so that anyone with an interest in the topic of Health IT will find it easy to read and understand the terms being tossed around in the industry today. After reading only a few chapters in the manual you will see why it stands out among IT resources in the Healthcare Books section. This book cuts through the confusion and delivers a powerful explanation in a simplified manner, offering optimized comprehension of this complicated topic. Don't mistake simplification for limited delivery of quality content. This text covers the hot topics such as: options for encryption of personal health information, best ways to protect patient privacy, HIPAA requirements and compliance, prevention of fraud by healthcare insiders, wireless network security dos and don'ts and even a section on what we can learn from...
