A Survey of Sustainable Development: Social and Economic Dimensions

By Jonathan M. Harris, Timothy Wise, Kevin Gallagher, Neva R. Goodwin

Island Press. Paperback. Book Condition: new. BRAND NEW, A Survey of Sustainable Development: Social and Economic Dimensions, Jonathan M. Harris, Timothy Wise, Kevin Gallagher, Neva R. Goodwin, Perpetual economic growth is physically impossible on a planet with finite resources. Many concerned with humanity's future have focused on the concept of "sustainable development" as an alternative, as they seek means of achieving current economic and social goals without compromising the ability of future generations to meet their own goals. Sustainable development brings together elements of economics, public policy, sociology, ecology, resource management, and other related areas, and while the term has become quite popular, it is rarely defined, and even less often is it understood. "A Survey of Sustainable Development" addresses that problem by bringing together in a single volume the most important works on sustainable human and economic development. It offers a broad overview of the subject, and gives the reader a quick and thorough guide to this highly diffuse topic. The volume offers ten sections on topics including: economic and social dimensions of sustainable development the North/South balance population and the demographic transition agriculture and renewable resources energy and materials use globalization and corporate responsibility local and national strategies Each section...

Reviews

It is one of my personal favorite publications. Indeed, it actually performs, still an amazing and interesting literature. It has been printed in an exceptionally easy way which is merely soon after I finished reading this book where it really altered me, changed the way I believe.
