Operation: Resume: 4-Battlefield Phases to a Targeted Civilian Resume (Paperback)

By MR Bruce L Benedict

Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This workbook gives you a step-by-step (Objective-by-Objective) method in which to write your own private sector or defense contractor resume. This workbook will help all transitioning military personnel, federal government employees, defense contractors and other Department of Defense personnel in their search for private sector and defense contracting employment. This workbook uses an easily identifiable analogy between military doctrine and resume writing. The scenario used is one that will translate vacancy announcement analysis to that of the military's Intelligence Preparation of the Battlefield (IPB). This workbook encourages you to leverage the military doctrine used when deploying to combat zones to that of transitioning to the civilian workforce. The workbook analogy identifies the Hiring Manager as the Enemy and the vacancy announcement as the battlefield. In order to win the war, you must successfully accomplish each objective on the battlefield (vacancy announcement) in order to target the Enemy accurately. The idea in preparing the 4-Battlefield Phases to a Targeted Civilian Resume workbook was to design a workbook that provided veterans a step-by-step resume development methodology...
