## GENESIS 12 TO 33: THE FATHER OF ISRAEL

Thomas Nelson Publishers. Paperback. Book Condition: new. BRAND NEW, Genesis 12 to 33: The Father of Israel, John MacArthur, Abraham is known as the "father of Israel" because God appeared to him and promised that his descendants would become a great nation. Yet Abraham is much more than the patriarch of a select group of ancient people. Through Abraham's descendants, God's own Son, Jesus, was born. Abraham is the father of all God's people. In this study, John MacArthur guides readers through an in-depth look at the historical period beginning with Abraham's call from God, continuing through his relocation in the land of Canaan, and concluding with the story of his grandsons Jacob and Esau. This study includes close-up examinations of Sarah, Hagar, Ishmael, and Isaac, as well as careful considerations of doctrinal themes such as "Covenant and Obedience" and "Wrestling with God." The MacArthur Bible Studies provide intriguing examinations of the whole of Scripture. Each guide incorporates extensive commentary, detailed observations on overriding themes, and probing questions to help you study the Word of God with guidance from John MacArthur.
