*Simply no phrases to clarify. It is really basic but surprises from the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

Madame Charmaine chronicles the adventure one summer of four close friends, three boys and a girl, all 12 years old, who discover a locked treasure chest half buried in the sandy shore of the Missouri River following a spring flood. As they play detective and try to find out who buried the chest and what its strange content means, they meet up with a tall, mysterious woman in a turban and soon find out that they are playing a dangerous game, one that threatens to bury them alive in a grave of their own digging. An Amazon reviewer says Madame Charmaine is about the inherent magic of being 12 years old and experiencing adventures that contain a hint of danger. It is an excellent story for children at or near that age. Scroll up and grab a copy today.
