This package includes a physical copy of Microeconomics with Calculus, Global Edition, 3e by J Perloff as well as access to the eText and MyEconLab. For all intermediate Microeconomics courses at the undergraduate or graduate level. This Global Edition has been edited to include enhancements making it more relevant to students outside the United States Understand the practical, problem-solving aspects of microeconomic theory. Microeconomics: Theory and Applications with Calculus uses calculus, algebra, and graphs to present microeconomic theory using actual examples, and then encourages students to apply the theory to analyze real-world problems. The Third Edition has been substantially revised, 80 of the Applications are new or updated, and there are 24 new Solved Problems. Every chapter (after Chapter 1) contains a new feature (the Challenge and the Challenge Solution) and has many new end-of-chapter exercises. MyLab and Mastering from Pearson improve results for students and educators. Used by over ten million students, they effectively engage learners at every stage. MyEconLab is a personalised online study and assessment system, which tailors to the unique learning needs of each student. Offering unlimited opportunities for practice and providing relevant and timely feedback, it helps students master key concepts, experience more I Get It moments and ultimately achieve better results. It s really simple and effective. I would recommend it to any University to use it for all sorts of courses (especially the courses that involve mathematics). Student at Radboud Universiteit Nijmegen, Netherlands It is like having a teacher by your side, you learn it a lot quicker, than usual homework!
