

Learning English: Clozing Procedures

By Sim Teo Hong

Austin Macauley Publishers. Paperback. Book Condition: new. BRAND NEW, Learning English: Clozing Procedures, Sim Teo Hong, Learning English: Clozing Procedures is the essential book for anyone wishing to enhance his/her English language skills through the technique of the Cloze Procedure. The Cloze Test is a popular technique used in language teaching which seeks to assess a candidate's comprehension of what they are reading through inserting a series of blanks throughout the text. In order to score points the candidate must insert the absent words correctly. A must-have for those who teach English, as well as those who speak English as a foreign language and are seeking to extend their skills.
