Larry Czerwonka Company. Paperback. Book Condition: New. Paperback. 126 pages. Dimensions: 9.0in. x 6.0in. x 0.3in. This book is dedicated to all of my students who through their desire for deeper truths have pushed me to retrieve revelations and insights to meet their demand for more enlightenment. Over the years I have had the privilege and opportunity to teach diverse levels of understanding. Each encounter brought levels of interpretation of the needs of my students and their need propelled me to a place where what they needed, I had a pursuit to acquire. To each and every one of them I say thank you. I am extremely grateful because the pull of my students for more is what inspires me to be more. Where there is a strong desire for revelation the gifting of God within me is awakened and I push to give more. I believe one of the greatest callings there is, is the call that is answered by a teacher. For I believe that the heart of a teacher is not just to dissimulate knowledge but to be sure that the knowledge that is shared from teacher to student is relevant and that every student who has a desire for an impartation of truth from the teachers, that students attains all that they are after. The teacher is not motivated with teaching but motivated by the apprehension and comprehension of the students. To see the students duplicate and reciprocate what they have learned by practical application. It is my desire that as many as receive insight, encouragement, enlightenment and revelation from the words of this book, become a teacher of that which has inspired them. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
