By Effie Power

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from First Selection of Five Hundred Children s Books by the Michigan State This children s library was selected and the books purchased for the use of the students in the summer library school conducted by the Michigan State Board of Library Commissioners at the State Library Lansing, 1908. The list is now printed for the use of all library workers in the state. The books here listed make up a general children s library, which should lead to the adult library. Care has been taken to include a fair proportion of books of information and to recommend attractive editions of standard works of literature. The library child is not at first a reader and his choice is greatly influenced by the mechanical make-up of books. He is attracted by the clear type, wide margins and the color in the binding. There is an educating power in all these details, and the best editions, especially of the classics, should be purchased for use in the children s library. The compiler of this catalogue, Miss Effie L....
