Jaico Publishing House, Delhi, India. Softcover. Book Condition: New. All children suffer from common ailments. For the young parents, the young mother in particular, these can be the cause for great anxiety. This book will give them necessary basic information they need to look after their child when he is unwell. Some of the illness described are mild and can be treated at home through natural methods. The book is divided into ten sections: Diseases of digestive system, Diseases of Lungs and Throat, Common childhood Fevers, Diseases of Skin, Diseases of Blood, Diseases of Eyes, Deficiency Diseases and Miscellaneous. Each section deals with diseases in a particular category. The diseases described under each section are arranged on the basis of their frequency. Thus, diseases with higher incidence have been dealt with first and those with lesser incidence later. The procedures for various methods of treatment prescribed for various diseases in relevant chapter has been mentioned in the Appendix at the end of the book. A balanced scheme of daily feeding for a child outlined here will enable parents to learn about the growth and development of a child. Rather than load children's systems with deadly antibiotics, here's a gentler approach, based on building up immunity through natural means. Printed Pages: 304.
