Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Are You Preparing Your Child Properly For The School and Life? Most books on colors for kids are written in the old fashioned way of taking only about color but times are changing and so are the needs of our children. This is one of the only books written for your kid to learn not only about color but also about emotions. Now you will be able to prepare him/her emotionally for understanding various main emotions (an abstract concept) with the help of color (a concrete concept). This Is What Big Publications Are Saying On The Subject Of Preparing Children Emotionally: Dr. Marc Brackett said that he envisions a generation of kids who have grown up immersed in an environment of total emotional awareness, who receive new insights at the developmentally appropriate times, and in deliberately constructive ways. If you have that kind of instruction, from kindergarten then in 20 years the world will be a very different place. -Sunday Magazine. Daniel Goleman said that Emotional intelligence (or EI) sets apart leaders not IQ. -Forbes. Why Your Kid Needs This Book Disruptive explosive behavior and out-of-control emotions is a problem adults face very often in today s world because no one spoke to them about emotions as a child. What if there was a way to teach your child how to deal with emotions at a very early age, imagine how this will make your life comfortable in your old age when your child will be able to empathize with you, since you taught him/her the correct emotional lessons. The book is structured around Twelve Emotions with their corresponding Twelve Colors in a color wheel. Each...
