*It becomes an awesome publication that I actually have actually read. It really is written in simple terms and not difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.From the Editors: It is impossible to exaggerate the importance of our Cover Feature this issue, which goes hand-in-glove with our International lead. The summit last week between the leaders of the world s two most populous nations, India and China, featured solid steps toward a new and deeper partnership, which portends a brighter future for all mankind. The subtext that should be read is: The control by the British Empire and its geopolitics is over. The visit comes in the midst of an entire BRICS process, which is sweeping the planet, and creating a new reality that will replace the Empire, if humanity is to survive. Integral to creating that process has been Helga Zepp-LaRouche, whose speech to a recent Silk Road conference in Beijing we include in the package, as well as that of the Chinese professor who introduced her. Then you will find a mind-opening reprise of how India has been prepared for its historic role today, and a long, although necessarily partial, grid of the major deals, primarily infrastructural, made by the BRICs countries since their mid-July summit in Brazil. Leading the International section is Helga Zepp-LaRouche s latest initiative, a call for nations to pull together a conference to build a new, inclusive world security architecture, which will end geopolitics, and the concomitant economic misery, for all mankind. The rest of our news analysis deals with battles underway within that old paradigm-Ukraine, the Scottish referendum, Ebola, the fight over infrastructure in Italy, and the miserable state of affairs in the U.S. Congress. This latter problem looms even larger now that Obama, with his British backers, has launched an unconstitutional, illegal war of aggression...
