Andrews McMeel Publishing. Hardback. Book Condition: new. BRAND NEW, Family Building: The Five Fundamentals of Effective Parenting, John Rosemond, Trusted family psychologist John Rosemond has a revolutionary message for today's parents: Your grandparents' generation knew a lot more about raising children than all of today's "experts." The "experts" have turned child rearing into a complicated, exhausting chore rather than the simple, straightforward task it should be. In Family Building: The Five Fundamentals of Effective Parenting, Rosemond outlines the five key principles of traditional parenting that are crucial to raising well-behaved children today. " It's about the family, not the children. " Where discipline is concerned, it's about communication, not consequences; leadership not relationship. " It's about respecting others, not high self-esteem. " It's about manners and morals, not skills. " It's about responsibility, not high achievement. Each chapter includes questions from real parents faced with real-life parenting challenges, and in his typical no-nonsense style, Rosemond provides practical solutions. Family Building restores common sense to parenting and puts the parents back in charge. Once again, John Rosemond delivers child-rearing wisdom that no parent should miss.
