Bloomsbury Publishing PLC. Paperback. Book Condition: new. BRAND NEW, The Doctor of Thessaly, Anne Zouroudi, Envy, revenge and retribution in the thrilling new installment of the "Mysteries of the Greek Detective" series. My first question must be, why do you want no investigation? If some malicious person has robbed you - as you believe - of your precious sight, why do you not want that person caught, tried and punished for their crime? A jilted bride weeps on an empty beach, a local doctor is attacked in an isolated churchyard - trouble has come at a bad time to Morfi, just as the backwater village is making headlines with a visit from a government minister. Fortunately, where there's trouble there's Hermes Diaktoros, the mysterious fat man whose tennis shoes are always pristine and whose methods are always unorthodox. Hermes must solve a brutal crime, thwart the petty machinations of the town's ex-mayor and pour oil on the troubled waters of a sisters' relationship - but how can he solve a mystery that not even the victim wants to be solved?.
